

Do you spend a lot of precious free time in the daily traffic jam to and from Linz? Is your expertise in the current work environment insufficiently acknowledged? Do you find yourself with less and less time for increasing work tasks? Then we are excited to accompany you in taking the next step towards a better work-life balance!

Cross-functional Allrounder (m/f/d)

Full-time employment 38.5 hours/week

We at Row&Sail GmbH are a young, innovative company based in Neulichtenberg. Our efficient team, currently consisting of 5 dedicated employees, specializes in the development and production of rowing and sailing systems. Due to our ambitious goals, we would like to strengthen our team with an office allrounder who has a broad overview of many areas and contributes with an active hands-on mentality.

Make time for the essentials! This is evident not only in our application process. To make the application process as time-efficient as possible for you, a clear resume with a photo is sufficient. We do not rely on (partially) standardized motivational letters; instead, we will contact you and would like to get to know you in a personal conversation afterwards.

Your tasks:

- **Production:** Control of pre-/final assembly including shipping preparation
- **Procurement:** Technical purchasing, goods receipt inspection, internal production planning, transport organization
- **Sales:** Customer consultation, quotation preparation, organization of goods transport, support with trade fair planning
- **Technology:** Complaint management, supervision and further development of the merchandise management system (Büro+), maintenance of operating and assembly instructions

Your profile:

- Completed training in a technical field and interest in process flows
- Sense of responsibility and communication skills
- Teamwork, structured work approach, and flexibility
- Initiative and holistic thinking

Your benefits:

- Flexible working hours (option for a 4-day week every 2nd week)
- Voluntary company pension plan
- Short decision-making processes and accordingly high degree of self-realization
- Traffic-free accessibility, free parking, and good bus connections enable you to have relaxed commutes

According to the collective agreement, the gross monthly salary based on full-time (38.5 hours/week) is EUR 2,785.00, but we will jointly determine your salary based on your experience and qualifications.

If you are a doer and want to develop further, we look forward to receiving your application with a photo at jb@rowandsail.com
